TAIN SHADOWLESS LAMPS. No. 8 Homover, 20 door from Court St. A M now prepared to supply all who are in want of a beautiful and brilliant light with the best Lamp ever offered to the public for burning Camphine. This is constructed with a hollow ring of glass sur-rounding the Burner; which ring contains the oil com-pletely isolated from the Burner, and thereby rendered perfectly safe by keeping the Camphene cool, conse-quently all smoke or stuell is effectually avoided, which is very important in the use of this oil; therefore a pint of Camphene will burn longer in this Lamp then the same quantity will in any Metallic or Glass Lamp now used, affording a greater amount of light. Invite all who are in want of a safe and Elegam Lamp, to call and examine the above before purchasing as 1 pledge myself to fully salisfy all that this Lamp posses g a many advantages over all others now in use.
